

NAWASA PLANS FOR CY 2009

The new set of NAWASA Board of Trustees held its Planning Workshop last December 2-5, 2008 at Ford's Inn, Cebu City to come up with its priority activities for 2009. The workshop which was jointly sponsored by the Streams of Knowledge and the UNDP, reviewed the accomplishments of NAWASA for 2008. Based on the said review and assessment, the group has identified the priorities of NAWASA for 2009 as follows:

- Recruitment of additional NAWASA members through the conduct of regional and provincial meetings with prospective members and nationwide IEC campaign;
- Conduct of short term training to address the capacity building needs of NAWASA members such as understanding the tariff setting methodology;
- Provision of assistance to NAWASA members in complying with NWRB permitting and other regulatory requirements; and
- Conduct of the 3rd National Conference of Small Scale Water Service Providers tentatively set to be held in Davao City on August 26-27, 2009

NAWASA holds its office at P1-Minnesota Mansion, No. 267 Ermin Garcia St., Cubao, Quezon City. The Streams of Knowledge continues to be the assisting organization for NAWASA.
